EDITORIAL

Volume 37 No 01

So her we are again, another year, and another volume of the discerning gent's favourite topshelf title – and what better way to kick things off than with a couple of newcomers with all the attributes to become firm *Club* favourites? First up Boroka, who, despite her ridiculous name (I blame the parents), makes up for it in so many other departments that we're more than happy to let her off. The way this girl set about her very first shoot for us had to be seen to believed, so I think it's safe to say we'll be asking her back in the not too distant. and then there's Sarah, who we managed to coax down to a little zoo in the country for some thoroughly animalistic behaviour. Girls of this quality might be pretty rare, but we'll be doing everything in our power to make sure they never become an endangered species. All in all, I'd say 2008 is shaping up pretty nicely, thank you! – **The Ed.** ♣

THE EYES HAVE IT!

Being a porn connoisseur, I can tell just by looking at a girl's face whether she's worth spending a bit of time over, and one look at Jenna's face on page seven of *Club* 36/13 told me all I needed to know!

It's all in the eyes, they say, and looking at Jenna's eyes, I'd say she's got it all! Actually, she reminds me of a friend's girlfriend (no lie!) who, so he tells me, is a rude lady and then some. Now my fantasies about my mate's bird can be even more vivid thanks to *Club International*!

Dave, Barnstaple

STELL IT LIKE IT IS

I am writing to you in desperation and pleading with you to continue featuring Stella as your *Club* regular.

I have been addicted to her since day one and would find it difficult to cope if I did not see her every month. The other models you feature are top class but I always end up turning to Stella, time and time again, as she is the most gorgeous, sexy woman I have ever seen in your magazine – or indeed in real life!

Everything about her hits the right buttons for me – she has the most perfect curvy figure and arousing, make-up and dressing to kill is an art form with her. On top that,she clearly loves sex of every variety,which has got to make her just about the most perfect girl on the planet. Please let Stella know that she's got a massive fan in Gloucestershire, and please make sure I keep getting my regular fix.

Alan, Gloucestershire

WELL BLOW ME!

Hi, I thought I'd write to you to tell you how much my sexy girl likes to suck cock!

She often puts a porno DVD on while her mate's around (did I mention she also gets off on watching her mate suck cock, too?) and gets me to strip down to my boxers, then they both sit back and watch me as I slowly stroke my cock until it is thick and hard, poking up out of my pants.

Once it's nice and stiff, she's ready to slide the whole juicy thing down her throat, sucking long and hard and then paying special, delicate attention to my shiny helmet, licking it sexily, slowly urging me to come all over her sexy face.

But before that happens, her friend has to have a suck on it as well, and she gets great pleasure watching her mate open her mouth wide and sink her head down, taking as much of my cock in as she can.

Before I spunk, I like to lick their tits a bit. Both of them have large, irresistible knockers that just have to be played with whenever the opportunity arises!

Then I make them stick their arses in my face and I have a taste of their pussies and tight little arseholes. When I'm ready to come, my girlfriend positions her mate's face right in front of my helmet and wanks my shaft hard and fast so my spunk

"I have a taste of their pussies and tight little arseholes"

explodes all over her features. That's when my girlfriend licks all my sticky jizz of her friend's face and they both giggle about the whole thing.

Those are the best days, you better believe it!

GET ON SON!

Are you thinking what we're thinking?

PHOTOS: LOBO PRESS

Fluffy, frilly, pink and silly, that's how Sonia describes herself. But she's being modest, or sweet or is it cute? Either way, she's not looking at herself in quite the same we are, because if you asked us to describe her we wouldn't be able to get very far from words like, hot, horny, sexy and sultry. Oh, maybe we'd move a bit off that line of description and plumb for fuckable, a wet dream in a pink slip or possibly even ooh momma, come to pappy!

"Oh, boys, you flatter me!" Sonia thrilled when we told her what we thought. Flatter you, we thought, we'd like to do more than that, babe! But we only thought that, and not for very long because soon we were incapable of thought and we can pinpoint the exact moment our minds slipped away, it was when we saw her sweet, sweet arse. ♣

TOP TEN...

...WAYS TO GET INTO ANY HOT YOUNG WOMAN'S KNICKERS

1. Snip the elastic on the waist band, obtrude thighs through the leg-holes, draw upwards to hips and adjust for comfort.

2. Lie on your back, put your feet in the air and pull them on over your head.

3. Place panties on the ground with the gusset in the centre then spread the leg holes and step into them, placing one foot in each leg hole. Then bend your knees, grasp the waistband on either side and pull up.

4. Sit on the edge of the bed, holding panties. Raise one foot and insert in one leg hole, then repeat this action with the other foot while gripping the panties by the waist and pulling the garment up to your knees. Stand and pull them further up until they are snugly in position, with your thighs beneath the crotch and your arse bringing up the rear.

5. If the bint in question is into G-strings or thongs, the only way to get into them is with EXTREME CAUTION. Those things are so thin and the fabric so sharp that you will want to be careful, on account of they could cut the knackers off you.

6. Place one hand on something stable, such as the back of a chair. Taking the subject's panties in one hand, slowly lift a foot. Aim it towards the leg hole with your toe pointed like a ballerina. If your aim is true, you will soon have one leg inside. Swap over legs and hands and pull them up far enough to cover your tummy-banana and arse cheeks.

7. Acquire the services of a pantymaid. The pantymaid holds out the garment towards you and steadies it so you can climb onto a chair and jump gently and slowly into them, taking care to turn your feet downwards as you drop so they'll thrust through the leg-holes. It will also be the pantymaid's duty to smooth out any creases.

8. The back flip. Tricky but not impossible. Tie a long piece of string around each of your ankles. Lying on your stomach, thread each piece of string through a leg hole and – oh, forget it...

9. Join a circus and dive 50ft into a bucket. First, arrange for the bucket to be swapped for the woman's knickers. Turn as you dive until you are falling feet first, don the panties in passing then screech to a stop in mid-air.

10. Steal the panties off your target lady's clothes-line and pay an old blind woman to dress you, adopting a falsetto and claiming to have lost both hands in a book-reading accident to allay her suspicions. Pray she doesn't find your cock.

to break my ankle.

I had to be carried off the pitch and was taken to the local infirmary. When I got there, my team mates left me in the capable hands of a slim, blonde, sexy young nurse named Paula. She told all the guys not to worry as she would look after me. Then she led me to the X-ray room where, sure enough, they said I did have a broken ankle and it would have to be put into plaster for weeks.

Once the doc was happy it was in the right position, he left Paula to plaster my ankle up. She lay me on the bed and began the plastering process, running her hands up and down my leg, making sure the plaster was even before it set. I still had my shorts on and she could see that I was getting very excited by what she was doing, but she didn't say anything, she just smiled and blushed. When she was done, she gave me some crutches and sent me on my way, saying come back in six weeks when they could take the plaster off. That night, I couldn't stop fantasising about her and had a good wank before falling off to a fitful sleep.

The next day, the boys started to come over to see how I was and one of them had his new girl along. Madly, it was the blonde sexy nurse I had spent the evening fantasising about the night before. We had a little chat about the day before, with neither of us mentioning my boner, and when my mate went to the bog to relieve himself, Paula quickly dropped to her knees and released my member from my pants. She said she had wanted to do this yesterday but couldn't risk losing her job getting caught sucking off a patient.

She had a warm mouth and took my full nine inches deep into her mouth. She kept looking me in the eye and I held her hands as her lips slid up and down my shaft. She sucked hungrily, licking my balls as well as my helmet and when I groaned that I was about to come, she took the full length inside her cheeks and I shot my bolt inside her mouth.

Then she sat there, teasing me, letting it dribble slightly out of the corner of her mouth, until my mate came back and she quickly swallowed the lot.

I'm not too keen on doing my mate's bird but as long as we are both up for it, then why not?

SUZIE'S SUZZIES

Cover babe, Suzie from *Club* 36/13, needs to be seen again! Aside from her very pretty face, hand-sized titties and curvaceous body, she's got two of my favourite things: a sexy pair of knickers on and a damn fine ass!

I'll tell you what it is, it's that shot on page 38 where she's sitting on the bog – shit, if I was there, I would be lifting the tail of her knickers up and slamming my sword right up her sweet, bald honey pot!

Can we please see it again, as I have inexplicably damaged my copy beyond all hope of repair!

SNOW DOWN ON ME

I hope it snows this winter. The last time it did, I had the best nosh of my life!

You remember down here it snowed and settled for about half a day? Well, I bunked the day off and went up the park, you gotta take your chances where you can find them, right? To my surprise, the place was practically empty – it looked like I was the only person who had bunked off for a day's snowball fighting. I was about to turn tail and bugger of home – snowballing on

BILLIE THE FISH

Those pictures of Billie in the bath are a bit of all right, aren't they!? That's my girlfriend's favourite place to fuck – or at least start. I mean, have you ever tried to fuck in the bath? It's not the most comfortable place for a screw, I can tell you!

Then again, if it was Billie I was fucking, you wouldn't hear me complaining, even if I got the hot tap jammed up my arse!

your own is no fun at all, and then I spotted a figure in the corner of the park building a snow man.

From where I was, I couldn't work out whether it was a bloke, a bird or whatever, but I walked over to see if they were interested in snow wars. Getting closer, it became clear that whoever it was, they were female, so I carried on until I was close enough to ask if they wanted any help. She turned around and I got my first look at her. She had dark brown eyes and pouting lips, glittering with a deep red lip gloss. Pretty soon, after introducing ourselves – her name was Jane – we were working hard on building a cool snowman, and when I thought we'd finished, jane embellished it with a big, erect snow cock!

"That's how I like my snowmen," she smirked, looking at me slyly.

"What about your real men?" I asked – when opportunity knocks, yeah?

Jane stepped closer to me and whispered in my ear, "Even harder," and ran her hands lightly

The budding muso types in our office (otherwise known as those losers who spend too much time locked up in their bedrooms *not* thinking about women) were fighting each other to come to the studio and meet Chanta. Great! We thought, it's about time you spotty herberts put down your Aphex Twin masks and discovered the joys of sex, so we let them all come. But wouldn't you know it, as soon as they saw all the flash equipment the studio they barely noticed the gorgeous babe spread out over the desk!

That is, until Chanta had a little word with them. "You boys want to tweak all my buttons and play with my cross-fader?" she purred at them, with a look in her eyes that could stiffen pricks from fifty metres. Surprisingly, no one had switched the mics on and pressed record, otherwise we could right now be enjoying the sound of sudden silence followed swiftly by the sound of a group of scruffy nerds gulping in unison! So let that be a lesson to all budding musos: if you want to be a rock star, you gotta learn how to play the ladies just as much as you gotta learn how to play your own instrument. Otherwise, they'll eat you alive. Then again, being eaten alive by Chanta is pretty high on some of our wish lists, way higher than being the next James fucking Blunt. Let's face it, getting a gobble off Chanta really would be beautiful! ♣

over my groin.

That was a green light for me and I grabbed her and kissed her hard on the mouth. She gave as good as she got, pushing her tongue into my mouth and digging her nails into my arse through my jeans.

"About as hard as that," she said as my erection pressed urgently against her belly. I was plotting ways to get her back to my place for some winter sports when she reached down and fumbled with the button of my jeans – she was about to get my cock out!

I looked around, suddenly worried that we were being watched, but there was only one other person in the park, a man walking his dog, and he was heading away from us. There was nothing I need do but relax and enjoy myself as Jane took out my dick and began to fondle my cock and balls as she continued to kiss me passionately.

"I like fat cocks filling my mouth with spunk"

By the time I was past caring (it takes a few minutes of feeling me up before I forget there's anything else in the world other than my dick and the imminent orgasm!), my dick was rock hard and Jane's hands were very familiar with it. She broke out of our embrace and I was just wondering where we were going to go to fuck when she dropped to the floor,

Scrapings From The Web!

ALLEGED COUNTERFEIT SCHEME GOES TITS UP

Six men recently appeared in front of the Beak at Southwark Crown Court charged with endeavouring to get the Bank of England to exchange a large number of £1,000 notes (£1,000 notes were axed in 1963) and several more to the value of £500,000 (which is even more peculiar, since there have never been any such things as half-million pound notes.) Meantime, Stateside, in the very same week, Pittsburgh police arrested a man for allegedly trying to get change at a local store for a bogus $1 million bill then getting nasty and loud in the cashier's office when he was asked to stop wasting staff time.

AUSSIE COP LIES IN WAIT WHILE PORN BANDIT EMPTIES BALL-BAGS

A 19-year-old man was (eventually) arrested in Darwin, in Australia's Northern Territory, after shoplifting a porn mag from a stall in the Karama Shopping Centre and "hiding out" in the centre's public toilets. A Shopping centre security guard, who had seen the theft, and a police officer, joined forces and tracked the perp into the toilets, but elected to wait until the miscreant had almost finished masturbating and was in mid-ejaculation (and therefore helpless) before kicking down the cubicle door, dragging him out of the bog with his trousers round his ankles and slapping on the cuffs. The report doesn't mention which scruff mag he had nabbed, nor what happened to the ejaculate.

SLIGHTLY MORE INFORMATION THAN ACTUALLY REQUIRED

The late Rev. Robert Shields of Dayton, Washington, who died recently aged 89, has been found to have kept an almost unbelievably detailed personal diary spanning the final 25 years of his life.

The diary (which weighs in at 37 million words on paper filling 91 boxes) chronicles his dismal existence at five-minute intervals in entries so unbearably mundane that anyone who has even tried to read more than four pages of it has given up in horror. For instance: Aug. 13, 1995, 8:40 a.m. "I filled the humidifying basin mounted over the Futura baseboard heater." 8:45 a.m. "I shaved twice with the Gillette Sensor blade and shaved my neck behind both ears, and crossways of my cheeks, too." July 25, 1993, 7 a.m. "I cleaned out the tub and scraped my feet with my fingernails to remove layers of dead skin." 7:05 a.m. "Passed a large, firm stool, and a pint of urine. Used 5 sheets of paper."

squatting in front of me.

"I'll tell you what else I like," she said, stroking my dick inches from her face. "I like fat cocks filling my mouth with spunk," and with that she took my member into her mouth and began to sloppily suck me off. I watched as she coated my dick in warm saliva, strings of it stretching from my cock to her mouth and chin whenever she stopped for a breather. "Come in my mouth," she said, and I had to ask her to repeat that – it's not the kind of thing you hear every day from strange women, after all! "Come in my mouth!" she cried, both her hands on my shaft. Fucking brilliant, I thought, I don't even have to fuck her, I can just stand here and shoot my load whenever I feel like it!

At first, I tried to relax and keep it going for as long as possible but this girl Jane was so good at sucking cock that I was desperately trying to think of things to put me off coming after about two minutes! I came as she took my cock from her lips to demand I come in her mouth again and she quickly tried to catch all my spunk. She ended up with a stream of jizz on her face and the rest in her mouth. I couldn't believe it when she swallowed the lot. "Thanks," she said, and walked off, leaving me with a limp cock in the middle of a snowy park! If we get any snow this winter, I'll be down there again like a shot!

WANT THAT ONE!

Is it me, or am I the only bloke who reads *Club* and doesn't have a saucy bird who wants to peel her kit off for us all to have a good ogle? When I saw those pictures of Sasha in *Club* 36/13 I quickly decided she was one of the tastiest ones yet.

She is so cute and the fact that she's actually someone's girlfriend makes me want her even more. I love all the babes you have in your mag (nobody else comes close!), but somehow they seem so much more real and fuckable when they're not pro models.

Keep up the good work *Club*, and keep those horny girlfriend's of yours coming fellow *Club* readers!

IN THIS MONTH...

13 YEARS AGO:

1995. House Of Horror owner/co-occupier Fred West, the Gloucestershire builder charged with 12 murders, beloved husband of Rose, and the man who made patios unfashionable, tops himself by hanging in Winson Green jail. Cheery-bye forever you evil fucker.

West, described by one prosecutor as "an uncouth man whose personal habits include munching raw onions as if they are apples", had recently taped a detailed confession recounting how he killed and disposed of his own daughter by dumping her remains in a wheelie bin "behind the Wendy house" at the bottom of the garden.

17 YEARS AGO:

1991. Iraqi dictator Saddam Hussein, whose forces have invaded Kuwait, dramatically warns the Allies that they are provoking "The Mother Of All Battles" as they move against him. Within a month it's all over bar the whining and most of the Allied casualties are due to the Americans and the British accidentally shooting each other. All the same, for Saddam it's back to Baghdad for another decade or so of posturing, strutting around, and gassing Kurds...

35 YEARS AGO:

1973. A pre-Watergate President Richard Millhouse "Tricky Dickie" Nixon finally bows to the inevitable and announces "peace with honour" in Vietnam. Speaking from the Oval Office, where his wranglers keep him, he tells the American people that the Vietcong should no longer be referred to as "gooks", that a truce begins at midnight, and implies that the hundreds of thousands slaughtered in the past 10 years can all safely come back to life again and enjoy the benefits of negotiated regional stability.

Nixon is insistent that the war was a draw and that nobody is the winner and nobody the loser either.

(18 months later, Nixon abdicates the presidency after the US government threatens to – as Nixon mis-hears it – sanction the Man from Del Monte to jail him "in a peach tin".)

Cheerleaders, they're a sexy lot, aren't they? Just like Sammy here, even though she's not – gasp! – a real cheerleader. But wait! She's wearing the costume for a reason…

"I'm a bit like a cheerleader in the bedroom because I'm so loud and enthusiastic!" said Sammy when we talked to her about her getting naked for us. "In fact, I'm prone to saying 'Give it to me!' just about every time I'm getting fucked. Usually, it's when I'm on my hands and knees and getting it from behind. I don't know why, there's something about being on all fours with a nice fat dick in my pussy that turns me into a foul-mouthed nympho. And once I've started, I can't stop!" That sounds brilliant.

"Yeah, I've never had any complaints. Except once, when a guy I was fucking asked me to stop talking as I was turning him on so much he was gonna come too soon!" ♣

This Month: GAMING

Looking to clutter your life and empty your account with unnecessary but highly desirable tech baubles for all occasions? Then you've come to the right place...

Let's face it, real life is pretty grim. Apart from all the rain, health scares over dodgy food, having to work for a living and pay through the nose for just about everything, there's also the ever increasing chance of ending up shot or stabbed at the hands of some teen chav to contend with. The fun just never starts. After all, is you were to pull out a colossal armament of some description and frag the little cunt, you'd be the one that ends up in prison. And not just a poncey Jeffery Archer prison, either...

So what can you do to escape the horror and unflinching reality that is real life? Drink heavily? Good. Go insane? Okay, not quiet as good. Read a book in the safety of your own home? Come on, it's not the 18th century! Sit and whimper whilst staring unblinkingly at the collection of twatabouts that make up modern TV? By Christ no! What you need to do is immerse yourself in a fictional world full of action and adventure, as far removed from reality as Michael Jackson. A world where you can race Formula 1 cars, fly spaceships, command crack military units and, yes, shoot as many twats as you like without fear of legal reprisal.

Where is this wonderland, this nirvana of fun where phone bills, lazy plumbers and income tax return deadlines don't exist? Why in the marvellous world of gaming. And thanks to broadband Internet, next generation consoles and gaming PCs so powerful they outstrip the M.O.D, today graphics look lifelike, arenas are expansive and ever growing, and you can even play with other people from around the globe in real time. Hell, you can even talk to them whilst you team up to take down a German tank.

Should you so wish to make idle small talk with a 10-year old from Utah, that is.

So, just exactly what kit do you need to build your very own ideal gaming room? Well, grab your broadband connection because we're very glad you asked...

Belkin n52te
Price: £50
www.n52te.com
It doesn't matter how good your twitch reactions are – or how poor the AI coding of the Germans/aliens/German aliens that you're hunting is – if you're gaming with a keyboard lovingly passed down through the family since poor old Grandad's 486 went to Silicon Heaven, you're not going to have a lot of success. No, for successful fragging you need specialist kit, and it's fairly safe to say that keyboards don't come much more specialised than the *n52te* from Belkin. With high-performance Razer software, enhanced tactile feedback and button responsiveness, cool blue backlighting and onboard memory for saving multiple player profiles, programmable thumb pad/joystick and non-slip rubber mats, this is an essential weapon in any cyber warrior's arsenal.

Ultimate Gaming Chair Renegade
Price: £225
www.thegamingcollection.com
One constant with just about every game out there is that they involve an awful lot of sitting about on your arse. Now, you can sit in any old armchair, of course, but then why in God's name should you – when you can sit in the *Renegade*? This prime piece of kit will not only keep you comfy but, hook it up to any console and the whole shebang shakes, rumbles and rocks in time with your top gaming action. Headset speakers keep you right in the centre of the action by hitting you with 3D sound, and there's even ground lighting effects to add that extra explosive effect.

What could be better, you ask? Well, after a hard day fucking over Jerry, you can recline back, switch the chair to 'massage' and have your post war stress soothed away, just like a real soldier!

Eclipse TD307P11
Price: £130 (each)
www.eclipse-td.com
Considering using your monitor speakers to handle your gaming sound? Good God, man, are you raving mad? Only quality sound pumped out by the kind of speakers that produce pure, crisp and well balanced stereo sound, along with a subwoofer capable of the kind of bass that feels like you've been kicked in the chest will do! Speakers such as these, in fact...

Produced by Eclipse (oh, did you guess that?) – and used in studios by professional music producers, no less! – the sexy black egg satellite speakers and the cone sub have no flat surfaces so internal standing waves and reflections are eliminated, leaving you with nothing but absolute clarity and a remarkable richness of reproduction. After all, do you really want to hear every last detail of the death rattles and screams of your unfortunate teutonic targets as you blast them to oblivion? Why of course you do. ♣

BOLLED OVER!

Boroka Bolls is a knock out!

PHOTOS: JACK HARRISON

In the land of porno names, the one balled man is king – no, wait! It's: in the land of porno names the one word name is Queen… No, that doesn't sound right at all. So what the hell is it then? Or why the hell is it that this drop-dead gorgeous babe, Boroka Bolls, has one of the daftest names in porn today? So daft you question your own cock's reality (do I really have a cock?), yet you'd still like to bang her ragged. Yep, that's the crazy world of porn for you, one minute your mind's boggling at some blonde babe's stunning beauty, the next minute you're questioning your very sanity!

So, erm, Boroka, what's the story? I mean, each to their own, but what on earth were you thinking?!

"What do you mean? I think it's a great name, and so far I haven't had any complaints about it from anyone! Still, if it's too much for the mighty Club International then I'll just put all my clothes back on and leave, shall I?"

Oh, er, no, there's no need for that, love. In fact now we come to think of it, the name's actually starting to grow on us. And it's not the only thing, either… ♣

The Club International

Stereo of Filth & Love!

Brought to you by Club's drug-addled music madman DJ Radio Jamaica

Radiohead
In Rainbows (XL)
Having fulfilled their contract with EMI, Radiohead hit the headlines by releasing their seventh album as a 'pay whatever you want' download from their own website. Meaning that pikeys like you and I, who haven't paid for music since the invention of the 90 minute tape, could get it for the square root of fuck all – completely 100% legal and without the fear of the internet pigs bashing down your bedroom door. And was it worth it? Oh yes – every penny. Musically, it's class.

One Night Only
Started A Fire (Vertigo)
This North Yorkshire five piece are having an early shot at being 2008's big timers – and they may just be in with a chance. Label mates with The Killers and Razorlight, the boys make daytime indie music to arouse Radio 1 and XFM bosses, meaning that their gigs this year are going to be jam packed full of young birds. Get down there, find them, finger them.

Various Artists
Sven Vath In The Mix: The Sound Of The Eighth Season (Cocoon Recordings)
Sven Vath is the Daddy-O of techno music and is the man behind the Cocoon events in Ibiza – a hedonist's wet dream. Here's a 2 CD mixed compilation of the best tracks from the 2007 Ibiza season including beauties from Alter Ego, Jamie Jones, and Junior Boys.

The Shaky Hands
The Shaky Hands (Memphis Industries)
My hand shakes at least once a day – usually while watching someone come all over Jenna Haze's face, or something along those lines. Anyway, here we have a tasty little quintet from Portland who make some lush indie anthems that remind you of al fresco summer sex – all so warm and lovely. Think a cross between Belle And Sebastian and Bright Eyes but without any of the anger or secret religious undertones and you're kind of on the right track. Definitely not for dance floors but will be a winner in the bedroom of many a young lady.

Krafty Kunts!

Club chats to breakbeat legend and all round deviant DJ Krafty Kuts about fingering girls with pencils...

Did you ever get into any fights at school?
I used to get bullied a bit at school and I ended up being the class clown and making everyone laugh to stop the bullies from picking on me. Eventually though, I'd had enough of being bullied so I said to this lad, "Right, do you want a boxing match?" My Grandad taught me to fight proper – not just street fighting – and so we formed a little makeshift boxing ring next to the church near to where I lived. We both put our gloves on, started to fight, and I boxed the crap out of him. As he drove off on his cow horn bike he shouted, "Next time it'll be guns and knives!"

Good old Grandad!
Yeah, we were very close. His only fault was he was a Gooner, whereas I'm a Liverpool fan, but he was a very proud and well respected man. In fact – you'll like this – he used to work for a company called Wayne Kerr!

Tell us a story that involves fingering girls.
I used to fiddle with girls using a pencil under the table at school – just a cheeky little touch . This led to my first sexual experience with my next door neighbour. I'd been poking a pencil at her and she really liked it and said, "Come on then, lets finish what we started." Anyway, her Dad caught me going down on her in his garage. She was sat on the fridge with her pants down and I was down there having a good old licky licky and her Dad walked in, lifted the garage door up, and saw me with my head in between his daughter's legs. He gave me the title, "Greatest Pussy Licker In The South." But she loved it. The amount of times she used to make me lick her pussy when her Mum and Dad were downstairs. You'd hear them coming up the stairs and she'd have to cover herself up with a pillow and I'd dive onto the floor pretending to watch TV or something.
I must admit – I am a bit of a deviant. I do like a bit of the old licky licky. It has to be shaven, though, with a nice little landing strip – no spiders legs or gruff growlers.

Where's the funniest place you've ever had sex?
I've had sex in the back of an Austin Maxi a couple of times but I suppose that makes me sound like I'm 80! And I've had sex in a graveyard.

Have you ever been noshed off in the DJ booth?
No, but I could have. I don't want that going on when I'm trying to concentrate! "Stop it will ya. Behave!"

If you could DJ anywhere in the world, where would it be?
Dracula's castle on a full moon on Halloween. All the freaks would come out and play. ♣

Sounds proper old skool – no doubt coz the Jungle Brothers are older than education. This one will defo give you a head start with the hip hop honeys.

Crystal Castles

Cooler than a dip into Antarctic waters after your boat has sunk – the Crystal Castles could well turn out to be the electro kings of 2008. You read that here first.

The Edgar Broughton Band

Rabble rousing theatrics about how shit the current crop of politicians are. Surely a message for our times, despite having been recorded way back in 1969.

Nice sentiments, a cracking laid-back break and a lung-cancer inducing clip on YouTube to boot. What's not to like? Just try to forget he's a Frenchman.

BEAR BACK RIDER

One day a young man, sick of the rat race, ups sticks and moves to a remote village in Siberia. But once there he finds it almost impossible to be taken seriously by the locals.

"What is it? Why is it so hard for you guys to listen to me?" he asks after a week of cold shoulders.

"It's because you haven't yet been initiated," says one village elder. "We do not see you as a man until you have gone through the rites of passage."

To be seen as a man in this village it was necessary to drink two bottles of vodka, kill a bear and then fuck one of the village babes for ten hours straight, without coming.

"That sounds like the kind of challenge I like!" cried the young man and that night the village set up a feast in his honour. The whole village turned out to watch the man guzzle two bottles of vodka and everyone had a great evening, laughing as he got steadily more and more drunk. The moment he finished his second bottle, the village elder pointed him in the direction of a cave that was known to have bears in and off he went, into the darkness.

An hour later, everyone heard the blood curdling screams and bear roars and they fell silent, imagining the stranger from the west to have been eaten alive by angry mammals. And then they watched amazed as he staggered out of the darkness, his clothes in tatters, blood gushing from numerous wounds.

"Okay," he said, drunkenly, "where's this babe you want me to kill?"

EAT IT!

Little Billy, growing ever closer to his 12th birthday and already weighing fourteen stone, was sitting on his favourite park bench munching on one choccie bar after another, his face smeared with milk chocolate. After the 9th king size bar, a man on the bench across from him said, "Kid, you keep eating all that chocolate, it will rot your teeth, and make you fat."

Billy replied, "My grandfather lived to be 107 years old."

The man asked, "Did your grandfather eat 9 chocolate bars a day?"

Billy answered, "No, he minded his own fucking business."

PRIZE JOKE!

AMISH-ION IMPOSSIBLE

An Amish man took his son out into the world to learn about why they shun modern life when they wandered into a department store. They were astounded by everything they saw, but especially by two silver walls that slid apart. The boy asked, "What is this before us, father?" The father answered, "Son, I have never seen anything like this in my life, I have no idea what this is." As they stared at it, a wheelchair bound old lady rolled up to the doors and pressed a button. The walls slid open and the lady wheeled herself in. The walls closed, and the two watched the small numbers above light up sequentially before coming right back down to zero. Finally, the walls opened again and a drop dead gorgeous 24-year-old blonde sauntered out. The father, unable to take his eyes off this woman, said quietly to his son, "Go get your mother."

POWER TO T

Spending £50k might well blow a hole in your wallet, but spunk it on a Nissan GT-R and you'll get plenty of bang for your bucks!

The Nurburgring is a Mecca to any driving enthusiast. For a piddling 19 Euros, on many weekends outside the harshest winter months, the stunning 14-mile Nordschleife is anybody's playground. Here, in the beautiful Eifel mountains south of Cologne, you can burn rubber on the tarmac that made the names of some of motorsport's greats. Yet for that 19 Euros, you can run any old shitbox around the hallowed asphalt.

Nissan knows the cache of this place. That's why it has taken the track over, covering in excess of 3,000 miles there during the development of its latest *GT-R* supercar. They've been determined to crack the Nordschleife lap record, held by the Porsche Carrera GT. The newcomer has clocked an amazing time of just under seven and a half minutes. And it's fitting that the words Nurburgring and *GT-R* are uttered in the same breath because Nissan is marketing this machine as a supercar for anybody. Like the German track, you won't have to be a lunatic racing driver to enjoy it.

The styling has universal appeal. While Ferraris always look like Ferraris and Porsches look like Porsches, the *GT-R* has been designed to be different. That said, it's unmistakably Japanese, with designers bizarrely claiming it resembles an animated robot. The influence of the Playstation generation in the design is clear. At first glance it looks sharp and edgy, with everything from the purposeful low front end to the bold haunches and wide rear screaming brute muscle. Yet look closely, and the devil is in the detail, with interesting angles breaking up the lines cleverly.

One striking thing about the shape is that the roof is quite tall and there's plenty of glass – you feel the benefit of this inside. The *GT-R* is no impractical coupe. Visibility is surprisingly good, and there's actually a fair amount of space in the four-seater cabin. What hits you first, though, is the sense of occasion Nissan has managed to engender inside the car. You sit in heavily bolstered sports seats, trimmed in high-grade leather, while in front of you is a set of easily legible dials ringed in chunky bezels. An attractive display in the centre of the dash provides details of the car's speed and economy, but also shows more exotic measurements such as G-force, turbo boost, steering angles and the like. It doubles as the sat-nav screen, and if the graphics look familiar, that's not surprising – the display was designed by the people behind the Gran Turismo video game series.

But most keen drivers will instantly be reaching for the start/stop button on the centre console. This fires the 3.8-litre twin-turbocharged V6 engine into life, and it rumbles provocatively, begging you to blip the

the people!

throttle and make passing infants cry. The unit is linked to a six-speed twin-clutch gearbox complete with steering wheel paddles, and provides immense straight-line performance, sprinting from 0-60mph in only 3.5 seconds, while the car has the potential to go beyond 190mph. Even driving around town is a thrilling experience, as gear changes are super-quick, while the brakes are ultra-effective and the throttle is blipped with every downshift. Stick the transmission in R-mode, and it even predicts which ratio you're going to choose next, according to throttle opening and vehicle speed, so changes are even quicker. Yet the huge 588Nm torque output means you can tool around in high gears and still benefit from some excellent responses.

The real revelation is the way this car drives, though. Nissan has gone out of its way to make the *GT-R* as accessible as possible. The ride is surprisingly smooth given the newcomer's performance intent, while various driver aids ensure nothing goes too tits up. The stability control system continually monitors the car's behaviour, acting instantly if a slide or skid is detected to right itself.

Yet if you want to be bad to this car, it will reward you in a way few others at this price can. A mixture of steel, aluminium and carbon fibre is used in the construction to ensure structural rigidity, and body roll is eliminated even in high-speed corners. Huge alloy wheels wear grippy run-flat tyres which work in tandem with the 4WD system to serve up breathtaking traction into and out of corners. And the steering is deliciously precise and accurate, and constantly communicates with the driver so they know exactly what's going on. Fast, twisty back roads were made for this car. Its blend of involvement and sheer, unadulterated fun is difficult to beat. It's already outperformed the supercar elite at the Nurburgring. Now it threatens to do the same in the sales charts. ♣

PUSSY IN THE WELL

Look what's turned up in our bucket today!

PHOTOS: ANDREW HAYEK

Popping out into porn gardens this morning to fetch the daily bucket of viagra-fuelled water (how else do you think we survive spending all day surrounded by hot and horny hunnies?) we were surprised and delighted to be greeted by the smiling face of Sarah, as we pulled her up from our well. But not half as delighted as when we were treated to the sight of Sarah's luscious pouting pussy lips!

"Hi, I've been waiting for you. I've got something to show you," she purred, slowly peeling her oh-so-tight little camouflage hotpants from her oh-so-tight little ass and, well, as you can see, showing us every inch of her mouth-watering smoo. It's thirsty work saving sex-pots from evil watering holes – thirsty work indeed! ♣

RATINGS: ★ THEY GET PAID FOR THIS? ★★ NOT EVEN FOR GIRLS ★★★ WATCHABLE ★★★★ BUY ME! ★★★★★ FUCK ME!

Death Proof (Momentum) DVD

Tarantino's latest offering (half of the Grindhouse double bill that ended up getting separate releases 'cos it was too bum-numbing for one sitting) has had something of a mixed reaction, and it's easy to see why. It's a white knuckle ride of a film, alright, but probably not the sort of thing you'd want to take your mum (or, indeed, any woman) along to. As a homage to grizzly exploitation flicks of the 70's it's dazzling stuff, but then those films were pretty disreputable then, and making similar material mainstream is a tall order. ★★★★

Knocked Up (Universal) DVD

We're not quite sure when gross out comedies grew up, but they're definitely going for the 30somethings these days. Director Judd Atapow's last effort was *The 40 Year Old Virgin*, so you can guess what's in store this time, and you won't be far wrong. Ben Stone stars as a slacker who, after failing to use a johnny during a drunken one night stand with the delicious Katherine Heigl, finds himself a reluctant father-to-be. The plot's nonsense, and the fairytale ending's enough to make some balk, but this film has one redeeming quality you can't knock – it's actually bloody funny. Still, if you got it on with Heigl you'd probably be laughing too. ★★★

Venus In Furs (Shameless) DVD

Leopold von Sacher-Masoch's novel has resulted in all sorts of perversions over the years (go on, admit it, you're a bit of a leopoldist yourself!), so it was a pretty obvious choice for a film adaptation when sexploitation came along in the 70s. Thankfully, this is an Italian flick, so we don't have to worry about Robin Askwith's trousers falling down or anything, rather we get the thoroughly eye-catching Laura Antonelli all nekkid and ready for action. Okay, so if you're a genuine perv you'll probably find this more laughable than arousing, but then let's not forget, it was always the audience that got exploited really. Still good naughty fun, though! ★★★

Princess (Tartan DVD) DVD

Think Danish and, after bacon, you'd probably be struggling – certainly gritty anime would be a way down you list. All that could change, though, with this stylish offering from director Anders Morgenthaler, which entwines religion, sex and violence into a film that contains more than its fair share of memorable tableaux as a clergyman avenges the death of his porn star sister whilst looking after her daughter. With live action scenes intercut with the animation to add to the dreamlike atmosphere, this is an interesting flick, although given that it's a cartoon, we could have used an English soundtrack. ★★★

Sicko (Optimum) DVD

Next time you're sat in an MRSA-ridden ward waiting hours for some harassed doc to come and give you a prod before kicking you out, try not to get too agitated – things could be worse! You could be one of millions of Americans who don't have medical insurance (or whose medical insurance just doesn't want to pay out) who face financial ruin for having the nerve to fall sick. Okay, so it's all painted black and white with a rather broad brush, but then that's what Michael Moore does, isn't it? Still, make merry and fall ill while you can – the way things are going it'll probably be the same here before long! ★★★★

The Servant (Optimum) DVD

Here's a prime slice of classic British cinema. Starring the already famous Dirke Bogarde and newcomer James Fox, it's hard to knock this film's pedigree, especially when you throw in Harold Pinter as the screen adaptor. Considering his matinee idol status, Bogarde was never afraid to take on darker roles, and he shines here as the eponymous manservant, taken on by Fox's louche young toff. Still, things aren't quite what they seem, and before long roles are shifting as one deception overlaps another. OK, so you could probably see it on the telly most months, but it's still class. ★★★★

The Shutter (Tartan DVD) DVD

Another month, another extremely creepy offering from the Far East. This time it's Thailand who pick things up where the Japanese and Koreans left off (we would tell you the name of the directors, but we haven't really got the space here). Like so many Oriental horrors it's basically a ghost story, with a couple fleeing a hit and run and, before too long, starting to reap the consequences. Flashes of horror revealed through technology (in this case photography) mark this down as typical of the genre, but it's certainly none the worse for that, and surprise surprise, there's an American remake on the way. This is bound to be better, though. ★★★

Tipple X

Each issue, purely in the interests of investigative journalism, Club's dedicated team will be tracking down and taste testing some premium booze just so we can give you the lowdown. First up, a classic favourite worthy of its proud history...

Plymouth Navy Strength Gin

What...

Plymouth's *Black Friars Distillery* has been cranking out mother's ruin for over 200 years (it's the oldest working still in the country), so they should know what they're doing by now. While the 41.2% strength of *Plymouth Original* is not to be sniffed at, it seems that for very good reasons (see below) the British Navy wouldn't wipe its arse with anything less than than 57% ABV (that's 100° English proof in oldspeak), so a stronger version was required before the fleet could sail... and here it is!

Why...

Duh! Because 100° won't ignite gunpowder if it gets spilt on it, of course! As to why you should give it a go if you're not a powdermonkey, well it's nice and strong and the balanced aromas and botanical tastes give some of your cheaper gins a right kick up the arse. Fuck, with the bottle's swish new deco styling it'll look the mutt's nuts in the drinks cabinet, too!

Where...

On the poop deck, naturally, or else sitting outside a rather poncy bar in the marina with your boaty chums. Alternatively, at home when you've got some girl back who you're really itching to impress.

When...

Best wait until the sun's well and truly over the yardarm – too many of these at lunchtime and you might not be able to aim your canon properly come nightfall, although heaving to shouldn't be a problem.

How...

Probably too good to waste in a boring old G&T, if you want to be properly naval why not try a gimlet? Simply mix 3 parts gin to 1 part Rose's Lime Cordial and Bob's your matey bosun! It'll look innocent, taste the nuts, and should help keep the scurvy at bay too!

ALICE IN SHAGGING LAND

I have been seeing Alice for a few months now and we get on like a house on fire. We both love giving each other oral sex and, although we're not the most adventurous couple when it comes to shagging, we are always on the look out for new ways to turn each other on. Last week, I drove over to the office where Alice works to give her a lift home as we were planning a night out and she wanted plenty of time to get herself ready.

As she climbed into the passenger seat and unbuttoned her coat, I couldn't help notice the hem of her business skirt riding sexily up her thighs, and when she shook her long dark hair free from the band holding it tightly in place, my cock twitched with excitement.

Maybe the musky scent of her perfume in the confined space and the black sheen of her nylon-clad legs so close beside me had something to do with it, but I realised I wanted to fuck her right there and then in my car.

"My prick was rigid and ready, desperate for her tight tunnel"

"What?" Alice asked quizzically, noticing the strange glint in my eye. Her make-up was still perfect from work and I leant forward and kissed her hard on those red lipsticked lips, sliding my tongue into the warm wetness of her mouth.

Alice responded to the snog and placed her hand on the inside of my thigh, caressing her fingers upwards towards the growing bulge in my blue jeans.

Realising we were still parked up outside her place of work, I pulled away from Alice, fixed my safety belt and drove off in search of somewhere a bit more private.

As we drove through the rush hour traffic, I could see Alice in the orange glow of the street lamps, tugging the hem of her skirt higher, wriggling her bum on the seat as she did so, until the tops of her stockings came into view. It was hard to concentrate on the road but we were nearly clear of town and, as she slowly parted her gorgeous legs and placed her hand gently over her satin-covered pussy, I swung the motor up a small track that led to the heath.

I had hardly pulled on the handbrake before Alice's tongue was delving inside my mouth. I unbuttoned the white silk blouse that contained her awesome breasts and squeezed one hard through the lace cup of her bra.

Alice moaned and deftly unzipped my jeans, yanking my semi stiff dick free of my pants.

As I unclasped their sexy restraint and freed her tits, Alice lowered her face into my lap and sucked the head of my pulsing prick into her mouth. I groaned with pleasure, smoothed her hair behind her ears and turned on the interior light for a better look.

Her head rose and fell slowly at first, one breast resting, by chance, either side of my shaft as I groped between her still parted thighs, managing to work a finger inside the gusset of her knickers and into the moistness of her hole.

My prick was rigid and ready, desperate for her tight tunnel that I now had two fingers squirming inside.

"Get in the back, baby!" I said, smearing her love goo all over her vagina's entrance as I withdrew my fingers.

She clambered between the front seats, allowing me a heavenly view of her arse as she did so. I took advantage and plunged my tongue between the rounded buttocks until it entered her sodden slit, flicking it between her pussy lips towards her clit.

"I stuffed my quivering dick straight up her and began to piston inside"

Alice paused as I sucked noisily on her twat, grinding herself happily against my frenzied tongue for a while before twisting around onto the leatherette of the rear seat and raising her heels high to the roof.

Fuck, she looked amazing spread-eagled in the cramped car, her pussy gaping open and her fat boobs squashed against her body as she pulled the lips of her glistening cunt even wider apart in order to beckon me in.

Grabbing her ankles, I stuffed my quivering dick straight up her and began to piston inside, marvelling at the tautness of her fanny walls as they constricted my stiff shaft.

"Come over my tits!" Alice squealed as her body shook with an orgasm of her own. Her twat gripped my dick like a vice as she came, making the sap erupt from deep within my balls.

I dragged my cock out of her engorged fanny just in time to squirt a thick jet of spunk directly over her breasts and neck. The second cleared her bosom and painted the rear seat, while the third splattered her chin and the inside of her open eager mouth.

As our waves of lust subsided, Alice moved my seed around her glossed lips like some slut in a porn movie and I smiled in admiration.

Strangely enough, that was the first time either of us had fucked in a car. But as long as the heater doesn't pack up, it won't be the last time I have to clean a few marks off the upholstery this winter, I can tell you!

My mate Rachel isn't your typical dolly bird. But if you took a closer look you started to notice just how sexy she was; about average height with a mop of unruly, curly, honey-toned hair, a slim, fit body, with incredibly pert 32C breasts (and gorgeous nips that sprung to attention whenever she stepped outside!), the most shapely, rounded arse your have ever seen – accentuated by the skin-tight jeans she always wore, and a sweet, pretty face that could form a wickedly sexy smile when the mood took her.

I had admired her from afar for years but nothing had ever happened. She always had some boyfriend hanging around, or I just didn't have the guts to approach her.

One night, our group of friends got together at another pal's house for a catch up. We all had a few drinks, and both Rachel and I ended up missing the last train and staying over. There was only one spare room so, ever the gentlemen, I said she could take that while I settled for the couch in the living room.

After about half an hour of trying to sleep while imagining the horny creature separated from me by a few centimetres of wall, I had to piss. Walking out of the living room, and past the room Rach was sleeping in, I glanced in the half-open door and my eyes nearly popped out of my head; She was lying on the single

bed in the guest room, completely naked with her legs wide open, and she was looking at me and sporting the sexiest grin imaginable.

I was in there quicker than a greyhound, planting my lips on her mouth and my hands on her gorgeous tits, which if anything were more pert and firmer than I had ever imagined. She bent down and stroked my stiffened cock through my jeans. I reached down and slowly ran my hands over her smooth, shaven pussy mound, and down between her lips. She was already sopping wet – she had obviously been playing with herself before I came in.

She arched her back and moaned and I moved down her body to give her a good tonguing but she was having none of it. She turned me round and twanged my boxers off quicker than matron in a Carry On film. Running her palms up my chest, she poised her hot mouth over the end of my cock before taking it deep inside. The sensation was incredible – it was all I could do not to spurt down her willing throat right then. She moved her lips sensuously up and down my shaft while making deep moaning sounds.

As fantastic as this was, I just had to get inside her smoothly shaven hole, so I slid her onto her back and drove my cock swiftly upwards into her tight but giving pussy and she gasped as I pumped it up her. She twitched her hips in time with my strokes – our rhythms matching. Rachel reached down and ran her

"She was already sopping wet – she had obviously been playing with herself"

fingers over her engorged clit.

Turning her over, I pulled her to the edge of the bed, her amazing arse pressed against my face, and the musky smell of her juices overwhelmed me as I dipped my tongue in her minge as deep as I could go before building up a relentless rhythm against her clit, her moans of pleasure hardening me even further.

I manoeuvred myself back on top between her spread-eagled thighs as she got her fingers back onto the button. Her moans and growls grew more frequent and more intense and I could tell she was close to climax. She wasn't the only one – the sight of her flushed face rapt in pleasure was taking me past the point of no return and I pulled out. With expert handiwork, and without taking her hands off of her cunt for a second, she took my cock and jerked it – spraying my spunk all over the beautiful tits, while shuddering into her own orgasm, bringing us both to ecstasy at the same time.

I lowered myself, exhausted, onto her belly, looking into her face to see not only her filthy smile, but also a stray drop of jism cheekily hanging from her lower lip. "What took you so long?" she whispered, the first words spoken by either of us since I had entered the room.

Turns out that she'd always fancied me and, tiring of waiting for me, had decided to take matters into her own hands – literally!

LAST CHRISTMAS I GAVE YOU MY ARSE

Last Christmas, me and my boyfriend spent it on a near deserted beach in the Canaries. There were a few other people on the beach with us, but since it was a really long one, all we needed to do was walk for a bit away from the main strip and it was as if we were in complete isolation.

That's how I wanted it because I'd promised myself that over the Christmas period I would be sunbathing naked!

Once we'd found a secluded spot, we backed up close to the dunes and I stripped off. The heat of the sun on my naked body felt fantastic and I lay down on my towel to soak it all up right away.

Then my boyfriend, Frankie, rubbed lotion into my body. First he slathered it on my feet and calves, then he moved onto my thighs and up my body. Once he had my shoulders taken care of, his hands came to oil up my boobs and of course he couldn't help but give them a bit of a fondle too.

I could see he was getting hard inside his swimming trunks and then his hands came down to my thighs again and he gently spread my legs apart and oiled my inner thighs, his fingers purposefully brushing up against my pussy until I opened my legs wider and let him see that I was wet and waiting.

But instead of fingering me, like I had been fantasising about in the plane on the way over, he told me to roll onto my front and let him oil my back. Frankie's hands rubbed the cream into my shoulders and back and then all over my legs until all that was left as my bum.

"I could feel his finger and thumb rubbing against each other inside me"

Straddling my thighs, Frankie kneaded my buttocks, spreading them apart and letting the oil fill my crack and trickle slowly down over my ring. I had never had anal sex before but when Frankie's finger casually ran along my crack, I didn't tense up – well, not too much!

I sensed what he was doing and I suddenly became incredibly horny. I tried to shift my weight and Frankie knelt up to allow me to move. I opened my legs wider, even wider when Frankie climbed off me and knelt back down between my legs, and relaxed as my boyfriend began to caress my pussy with his fingers, leaving his thumb nestled snugly against my ring. Then, ever so gently, he began to push his thumb against my bumhole and ever so slowly I relaxed and allowed him entrance.

I could feel his finger and thumb rubbing against each other inside me and I was amazed at just how good it felt to have something inside my arse.

"You want to fuck my arsehole, don't you Frank?" I asked, and he answered by prodding my ring with his thick dick.

"I can't help it, darling, it looks so inviting all oiled up like that," he said and then, without any more warning, he sank his meat into my back passage. I couldn't believe how good it felt, how full of dick I felt, and I raised my hips off the towel to get more in me.

I looked up and could see some people coming up the beach towards us. they were too far off to see what we were doing but the thought of being caught with my boyfriend's cock inside my arse turned me on even more. I pushed a finger up my cunt and rubbed my palm against my clit, biting my lip to stifle my orgasmic moans. Frankie fucked my arse hard, groaning as he rode, me and then he pulled out his cock and spunked all over my bum and back. By the time the people had reached us, Frankie was rubbing cream into my back so we looked just like regular sunbathers, except Frankie was rubbing his own cream into my back and once they had passed, he rubbed all his spunk into my crack and said I had to leave it there to dry off in the sun or risk getting no more cock for the rest of the holiday!

PHOTOS: VLT

I would say I feel guilty about not being at home in the freezing cold with all of you this winter, but I'd be lying through my barn door if I did!

That's the beauty of being a porn star: you get invited to all kinds of places by all kinds of people.

I'm out here with a very rich couple of swingers I've known for a long time. This pool I'm lounging around saw some serious action last night, the whole garden was full of naked sex lovers doing all kinds of things to each other.

Me? I was in the pool with this girl I met at the party – she had these amazing nipples that stuck out for miles when they got a little excited or a bit chilled. I think I spent most of the time tweaking them while she fingered me under the water.

Eventually, I had to jump up onto the side of the pool and open my legs because I can't stand being fingered and not having someone eat me out at the same time. Luckily this girl was no stranger to pearl diving and had me screaming my orgasm out at the top of my voice in no time at all. It would have been embarrassing how loud I was if it weren't for the fact that the neighbours were right next to us, enjoying a little bit of al fresco dining themselves!

The last thing I remember that night was climbing into bed and finding I had a couple of friends already in there, waiting for me! ♣

SCRUFF JUSTICE!

In the court of king Club-ute, the hand of justice is most often wrapped round the king's meaty cock!

STAR RATINGS: ★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

Hannah Erotique (Digital Playground)

There's a lot of definitions for the word erotic but in *Hannah Erotique*, you can clearly see that it's all in the foreplay and situation. Hannah's fantasies are mainly submissive ones involving girls handcuffed in cupboards or tied up with silk ties, being fondled by strange men. Spanking gets a look in, as do cat masks and dog leads, as a variety of very hot and horny babes parade around in a whole host of sexy outfits before getting showered in man fat. And although West Country lass Hannah only features in two scenes, they're two highly stroke-worthy ones! ★★★★★

Cum Coat My Throat 3 (RedLightDistrict)

So, porn girl comes in dressed like a slut. She gets fucked in the pussy and arse, she gets a big cock in her mouth, then she gets flipped through a variety of positions and then the guy fucking her spunks in her mouth. Cue a load of his stunt cock buddies, who have all been wanking away off camera, to take it in turns to deliver great dollops of sex wee into her mouth while she diligently sits up, her lips wide apart, ever ready for the next shower of willie dripping. When they're all done, she swallows the lot, hungry honey that she is.

There's about 48 dicks in this movie to six chicks. Not the best ratio to have a wank about now, is it? ★★★

Mafia Girlz (Private)

The plot's so dumb we couldn't be arsed to pretend to follow it (something about a mafia sex vendetta), the group sex is annoying because the women never touch each other if one of them's getting fucked by a bloke (which they always are), but the come shots and the babeness of the babes makes up for all of that and more!

Watching Lady Mai as she sits astride a guy's nads, wanking him off onto his own stomach is pretty sexy. As is the scene where the stud spunks all over his lover's shades. But the opening shag with the bizarre come shot over a veiled face is either very silly or very sexy. It all depends on how into spunk-stained red silk you are! ★★★★

PARTY IN OUR PANTS!

Tiff and Andie get 'em all in a twist!

PHOTOS: NICOLAS SAGE

It's always a party when these two are together, but when the girls saw each other's funky new underwear it got really wild! We didn't realise you could have an orgy with just two people (and no cocks!), but Tiffany and Andie opened our eyes wider than the giant saucers they already are and taught us a few things about partying.

1. When a girl says to her mate, "I love your new panties," and then starts gently stroking them just around where her clit is, that's a party.

2. When a girl bends her friend over and starts licking her clit and fingering her pussy, that's a party.

3. When a girl is sitting on another girl's face, crying out "Oh yeah, baby, lick my pussy! Eat my pussy!" that is again a party.

4. When two naked babes, their wet slits glistening between their thighs, push you out of their house with a raging hard on you can't even try to hide, and then slam the door in your face, three's a crowd!

Weird, huh? Bet you thought parties involved more than two women alone in a room together with no booze, no music and no clothes? How wrong you were! Still, clearly, it's best to learn by your mistakes... ♣
